High quality manufacturing of aluminum and dock products for the marine construction, marina and general construction industries

FloatStep® Dock Ladders

We are the exclusive manufacturer of the award-winning, patent-pending FloatStep® Dock Ladder

The FloatStep® Original

- Provides safe access at any water level or tide.
- The ONLY dock ladder that remains out of the water when not in use, reducing electrolysis, corrosion and marine growth.
- The ONLY dock ladder that automatically adjusts to water level changes.
- The ONLY mechanical dock ladder without any pinch points.
- Fabricated with industry standard 6000 series aluminum.
- All TIG welded construction for strength, durability and attractive finish.
- More welds per step than the competition for added strength and safety.
- Durable molded plastic float with a buoyancy control valve.
- High quality plastic bushings provide a smooth, effortless track system.
- Standard full-length handrail to assist when using.
- Adapts to various dock systems.

Ladder Sizes and Prices

- 3 Step Ladder \$399
- 4 Step Ladder \$459
- 5 Step Ladder \$499
- 6 Step Ladder \$569
- 7 Step Ladder \$639
- 8 Step Ladder \$689

Say goodbye to ladders that look like this!

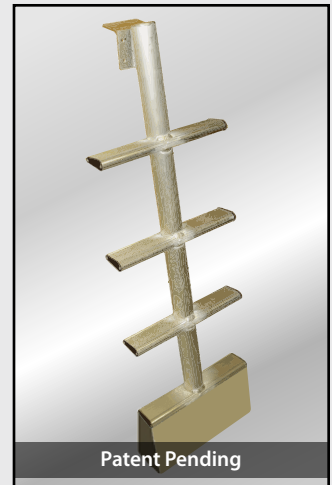

FloatStep® - the best dock safety ladders!

FloatStep® Universal Dock Ladders

The FloatStep® Universal

- Affordable, cost-effective safety ladder for marinas.
- Patent-pending design is compact and saves space.
- Provides safe access at any water level, tide or dock height/freeboard.
- Wide 3" slip-resistant steps.
- Remains out of the water when not in use, reducing electrolysis, corrosion and marine growth.
- Concealed track system guards against pinch points.
- Fabricated with industry standard 6000 series aluminum.
- All TIG welded construction for strength, durability and attractive finish.
- Durable molded plastic float with a buoyancy control valve.
- High quality track system prevents binding.
- Adapts to virtually any dock system.
- Removes easily from dock and attachment bracket.
- Available in 3 and 4 step models.

Ladder Sizes and Prices

- 3 Step Ladder \$259
- 4 Step Ladder \$289

Get to Know Atlantic Aluminum & Marine Products

Atlantic Aluminum & Marine Products, Inc. is a family owned & operated manufacturer specializing in high-quality, innovative products for the marine construction, marina and general construction industries.

Our extensive line of products is fabricated by AWS-certified welders in our newly expanded facilities in Lantana, Florida. We specialize in customizing products to meet each customer's unique needs.

Our satisfied customers include state and local municipalities, privately owned marinas, marine construction companies and general contractors not only in Florida, but across the United States, Canada and the Caribbean.

All prices shown are retail. *Atlantic Aluminum & Marine Products offers a variety of discount programs, available to approved industry professionals, for volume purchases.*

Please call us for details on the substantial discounts available.

Dock & Seawall Ladders – Fixed & Lift

Fixed & Lift Ladder Models

- Full hoop style
- Finger pier half hoop style
- Finger pier straight style
- Custom

Fixed Ladder Notes

- Standard sizes available are 3 Step - 8 Step. Larger sizes are available upon request.
- Each rung/step is 12" O.C.
- Standard 2" wide, slip-resistant rungs/steps.
- Wide step models are available with 3" or 4" ladder rungs.
- 4" steps/rungs require an optional handrail. Call for more info.
- Optional powder coating is available.

Lift Ladder Notes

- Manually lifts up and locks in place when not in use.
- Concealed track helps reduce pinch points, decreasing the risk of user injury.
- TIG welded construction for strength and longevity.
- Standard 2" wide, slip-resistant rungs/steps.
- Wide step models are available with 3" or 4" ladder rungs.
- 4" steps/rungs require an optional handrail. Call for more info.
- Optional powder coating is available.

Fixed Ladder Sizes and Prices

- | | |
|-----------------|-------|
| • 3 Step Ladder | \$119 |
| • 4 Step Ladder | \$132 |
| • 5 Step Ladder | \$145 |
| • 6 Step Ladder | \$159 |
| • 7 Step Ladder | \$174 |
| • 8 Step Ladder | \$189 |

Lift Ladder Sizes and Prices

- | | |
|------------------|-------|
| • 3 Step Ladder | \$189 |
| • 4 Step Ladder | \$199 |
| • 5 Step Ladder | \$219 |
| • 6 Step Ladder | \$239 |
| • 7 Step Ladder | \$259 |
| • 8 Step Ladder | \$279 |
| • 9 Step Ladder | \$319 |
| • 10 Step Ladder | \$359 |

Access Ladders & Custom Ladders

Access Ladder Applications

- Wall
- Cage style
- Rooftop access
- Raised platforms
- Walkovers

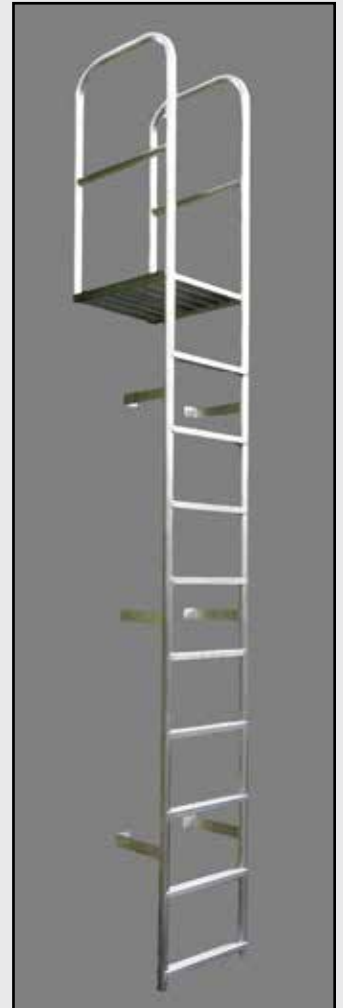

Marine Ladder Models/Applications

- Docks & seawalls
- Vessel boarding
- Marina access
- Dive boat applications
- Cliff & beach access

Custom Ladders

- Made from 6000 series aluminum.
- All TIG welded construction for strength and longevity.
- Standard 2" wide, slip-resistant rungs/steps.
- Wide step models available with 3" or 4" ladder rungs.
- 4" steps/rungs require an optional handrail. Call for more info.
- Standard step spacing is 12" O.C.
- Optional powder coating is available.

PRICING VARIES BASED ON MODEL, APPLICATION AND OPTIONS. PLEASE CALL US FOR PRICING.

Aluminum Ramps & Gangways

Ramp & Gangway Features

- Built primarily for floating dock access in marinas, parks and residential waterfronts.
- Custom applications for canoe and kayak launching docks.
- Fabricated with industry standard 6000 series aluminum.
- Options include full length piano hinge, truss type handrails, and ADA compliance.
- All TIG welded construction for strength, durability and an attractive finish.
- More welds than our competition for added strength and safety.
- Standard and custom sizes available.

Ramp & Gangway Applications

- Floating dock access ramps for marinas.
- Vessel boarding ramps.
- Access ramps for kayak and canoe launch.
- ADA access ramps.
- Dune walkover and beach access ramps.

PRICING VARIES BASED ON MODEL, APPLICATION AND OPTIONS. PLEASE CALL US FOR PRICING.

Frames, Decks & Docks

AAMP builds aluminum structures for a multitude of applications for the marine and general construction industries including dock frames, walkways, platforms, stairways, and walkovers, etc.

Features

- In-house CAD design capabilities.
- 6061 T6, 6005 & 6063 T52 aluminum alloys.
- MIG/TIG fabrication by AWS-certified welders.
- Attractive, corrosion-resistant, long lasting finishes.
- Built to local, state and federal codes.

Aluminum Handrails & Railings

Features

- Fabricated with industry standard 6000 series aluminum.
- Standard schedule 40 pipe with optional schedule 80 pipe.
- All TIG welded construction for strength, durability and attractive finish.
- Adapts to various dock systems, ramps, gangways, walkways, stairs and steps.
- Available in anodized or powder coated finishes.
- ADA compliant where applicable.
- Custom design and fabrications available.

PRICING VARIES BASED ON MODEL, APPLICATION AND OPTIONS. PLEASE CALL US FOR PRICING.

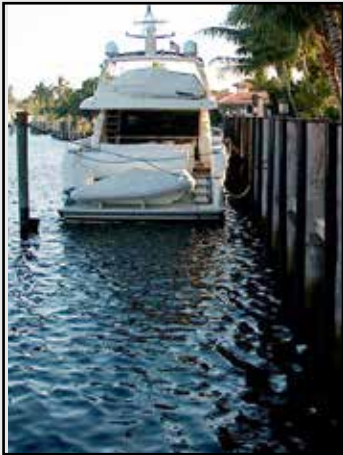

Defend-HER Dock Fenders

The Best Protection for Your Investment!

- Provides maximum protection for vessels without marking or damaging the hull.
- Installs easily on the outside face of dock and mooring pilings.
- Impervious to ultra-violet exposure, fuels, oils, acids and marine organisms.
- Outer shell consists of a flexible, highly durable PVC material with an interwoven nylon fabric.
- Recycled plastic lumber base – NO WOOD.
- Fastens to base with high quality stainless steel screws – NOT nails.
- Features the industry's best 12-year limited warranty.
- Defend-Her dock fenders are available in black or white.
- Available in 6', 8' & 10' lengths; and Light (LD), Medium (MD) or Heavy (HD) Duty applications.
- Pre-drilled mounting holes for easy installation to dock and/or pilings.
- Bolts to our Aluminum Fender Brace when pilings are not present.
- Custom dock fender applications and sizes are available upon request.

Compare Defend-Her Dock Fenders with the competition and you'll quickly see why we can offer the industry's best warranty!

Standard Models and Prices (available in black or white)

- 6' LD \$99
- 8' LD \$129
- 10' LD \$159

- 6' MD \$115
- 8' MD \$145
- 10' MD \$189

- 6' HD \$149
- 8' HD \$199
- 10' HD \$249

- Light Duty (LD) for vessels to 25'
- Medium Duty (MD) for vessels to 50'
- Heavy Duty (HD) for vessels to 85'
- Also available in Super Duty (SD) for vessels over 85'
- HD concrete corner fenders – prices start at \$75/foot.
- Custom cut fork lift or bunk board covers are available. *Call for more info.*

Aluminum Fender Brackets

- Designed to receive the Defend-HER dock fenders or 4" x 4" lumber.
- Used with the Defend-HER dock fenders, the fender brackets replace the need for pilings to fend vessels off from docks and seawalls - see picture.
- Fabricated with 6000 series aluminum 'I' Beam.
- TIG welded construction for strength, durability and a clean finish.
- Standard lengths available - 1' through 6' as well as 8' and 10'.
- Custom lengths and mounting applications are available.
- Optional powder coating. *Contact us for more info.*

Fender Bracket Sizes and Prices

- | | |
|---------------|-------|
| • 1' Bracket | \$89 |
| • 2' Bracket | \$119 |
| • 3' Bracket | \$139 |
| • 4' Bracket | \$169 |
| • 5' Bracket | \$189 |
| • 6' Bracket | \$219 |
| • 8' Bracket | \$259 |
| • 10' Bracket | \$299 |

Dock Boxes

- Molded, hand laid and rolled out fiberglass construction.
- Stainless steel hinges, lid cable and hasps.
- Snow white gel coat inside and out.

Dock Box Sizes and Prices - Raised Lid Models

- 42"L x 20"H x 20"D - \$379
- 57"L x 20"H x 20"D - \$439
- 72"L x 20"H x 20"D - \$529
- 52"L x 24"H x 26"D - \$479

Dock Box Sizes and Prices - Flat Lid Models

- 42"L x 20"H x 20"D - \$399
- 57"L x 20"H x 20"D - \$479
- 72"L x 20"H x 20"D - \$539
- 52"L x 24"H x 26"D - \$529
- 72"L x 24"H x 26"D - \$599
- 96"L x 24"H x 26"D - \$899
- 42"L x 17"H x 17"D - \$349
- 72"L x 17"H x 17"D - \$509

Fish Cleaning Tables (Tuna Tables)

Fish Table Features

- FDA-approved Starboard cutting surface.
- Fabricated with industry standard 6000 series aluminum.
- Available in 2 leg or 4 leg models.
- Lower full-length utility shelf included.
- All TIG welded construction for strength, durability and attractive finish.
- Sloped to allow runoff away from user.
- Custom design and fabrication available.

No dock? No problem!

Our high-quality fillet tables mount to virtually any deck, concrete or patio surface. They're a great addition to any backyard, deck or park.

Standard Table Sizes and Prices

- 18"D x 38"W \$349 (2 leg)
\$329 (4 leg)
- 24"D x 48"W \$449 (2 leg)
\$439 (4 leg)
- 24"D x 60"W \$489 (2 leg)
\$479 (4 leg)
- 24"D x 72"W \$599 (2 leg)
\$579 (4 leg)

Add accessories such as:

- Upper Shelf \$175/\$185/\$210/\$235
- Utility drawer \$69/\$79
- Knife rack \$39
- Cup holder \$29
- Hose holder \$42
- Water bib \$25
- Umbrella/rod holder \$32
- T-top/Sun shade Call for more info.

**Compare our quality to the competition.
We offer the best fish cleaning tables on
the market - guaranteed!**

Aluminum Water & Electrical Stands

Features:

- Single or double quarter turn brass hose bib.
- All welded aluminum hose holder(s).
- Base plate made from 1/4" aluminum stock.
- Standard 4" x 4" x 1/8" square tube post. Optional 4" x 6" post available.
- Access hole in base plate.
- Fabricated with industry standard 6000 series aluminum.
- All TIG welded construction for strength, durability and an attractive finish.
- Four pre-drilled 3/8" mounting holes for easy installation.
- Standard electrical post comes with 20 amp GFCI duplex outlet.
- Can be designed to fit dock electrical powerhead boxes.
- Available in mill or powder coated finishes.
- Custom design and fabrication available.
- Deck or side mount applications available.

Sizes and Prices

- | | |
|-------------------------------------------------------------------------------------|-------|
| • 29" water stanchion w/ single hose bib & holder, mill finish | \$129 |
| • 29" water stanchion w/ double hose bib & holder, mill finish | \$159 |
| • 29" water stanchion w/ single hose bib & holder, powder coated finish | \$169 |
| • 29" water stanchion w/ double hose bib & holder, powder coated finish | \$199 |
| • 36" water & electrical stanchion w/single hose bib & holder, powder coated finish | \$219 |
| • 36" water & electrical stanchion w/double hose bib & holder, powder coated finish | \$249 |

Aluminum Hose Holders

Features

- Made from high quality, durable cast aluminum alloy.
- Smooth finish to help prevent chafing.
- Available in small or large.
- Optional powder coating available.

Sizes and Prices

- Small (holds 50') \$27
- Large (holds 100') \$32
- Call for pricing on optional powder coating

Aluminum 'S' Cleats

Features

- S Cleats are made of high quality, durable cast aluminum alloy.
- Smooth finish prevents boat or dock line chafing.
- Four standard sizes - 10", 12", 15" and 18".
- Accepts up to 1/2" diameter bolts for installation.
- Easily installs on wood or concrete deck surfaces or dock pilings.
- Recessed mounting holes.
- Optional powder coating available.

Sizes and Prices

- 10" \$15
- 12" \$20
- 15" \$29
- 18" \$59
- Call for pricing on optional powder coating

Dock & Mooring Pile Caps

Features

- Designed to extend the life of dock and mooring piles.
- Cone shaped piling caps keep birds from roosting.
- Prevents moisture from working down through the inside of the piling and rotting from the inside out.
- Round pile caps are available in black or white; cone or flat and in 1/2" increments from 6" – 18".
- Square caps are available in black or white; cone or flat and in either 10" or 12" sizes.

Please call for Sizes and Prices

Stand Up Paddle Board & Kayak Racks

Features

- All-weather indoor/outdoor application.
- Strong and durable - constructed of marine grade aluminum with a powder coated finish.
- Racks come in White, Black and Bahama Blue. Custom colors available.
- All-weather cork pad prevents scratching.
- Provides efficient use of limited space.
- Easily mounts to any wall type.
- Kayak racks are designed with bungee eyes for securing/locking.
- SUP display racks feature paddle holder.
- Corrosion-resistant materials and TIG welded construction.
- 5 year warranty on material construction.
- 1 year limited warranty on chipping and gloss retention of powder coating.
- Custom designs and applications available.

SUP Rack Models and Prices

- | | |
|-------------------------------------|-------|
| • 1 Board 'J Style' Display Rack | \$119 |
| • 2 Board Wall Mount Storage Rack | \$139 |
| • 3 Board Wall Mount Storage Rack | \$195 |
| • 4 Board Wall Mount Storage Rack | \$259 |
| • 4 Board Freestanding Storage Rack | \$529 |
| • Optional Stainless Steel Casters | \$195 |

Kayak Rack Models and Prices

- Single wall mount \$79
- Double dock mount \$349
